

## Airman Certification Standards (ACS) Explained (ID56)

The FAA and industry have partnered together to develop the replacement for the Practical Test Standards. The Airman Certification Standards bring substantial improvements to the certification process. This webinar will provide some background on how the ACS was developed and then explain how the ACS is used during both knowledge tests (AKA written tests) and the practical tests. Preregistration is required by visiting

<https://attendee.gotowebinar.com/register/5945543531752559106>

We will be offering additional webinars. You can expect to see additional invitations soon.

**Directions:** Webinar, 1000 max. Preregistration required at <https://attendee.gotowebinar.com/register/5945543531752559106>

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
